**DON'T MISS THE
OPPORTUNITY TO BE A
STUDENT AMBASSADOR
THIS SUMMER!**

Voices United brings together nationally recognized leaders in choral music education, regional leaders, and directors of choirs from elementary to adult representing Virginia, Maryland/DC, and Delaware for three days of learning and doing.

As a **student ambassador**, you help run registration, assist the honor choirs, and assure that each session has what it needs to run smoothly. In addition to helping behind the scenes, you also get to attend sessions of your choice and participate in the conductor's chorus!
